

Wine • Beer • Spirits

San Francisco is a rich city. It is rich in people and expansive in culture. It is as diverse as it is comprehensive. Its culinary world is a reflection of those that live here. As its food is diverse, so are its beverages. Its wines, beers and spirits are as plentiful as its people and its food.

Our beverages have distinct character, quality, and elements. Our products stem from rich soils, mountains, valleys, rivers, and oceans, producing some of the finest wines in the world. Our beers are elevated and handcrafted. Our spirits are competitive with the worlds and our cocktails are well balanced and accessible to all. Most importantly, our wine, beer, and spirit makers are enthusiastic about what they do to bring their very finest product to you. They all have one thing in common – passion. It is this very same passion that puts our domestic wines, beers and spirits on the world map.

As much as we love and are proud of our domestics, we also embrace and honor the rest of the world. Our European selections embody richness in history and our New World selections demonstrate the passion to embark on successful new endeavors.

As our guest, please search, explore, investigate, and ask questions about our wine, beer and spirits. The journey is yours, welcome aboard.

Riesling

Riesling is a varietal that pairs so well with our food style at Waterbar; it often inspires, it often surprises and excites. It is a special grape that can be so many different things and has a unique ability to deliver multitudes of dimension to your palate from one sip to the next. Riesling is a wonderful expression of the symphony of sun, wind, meandering rivers, history, slate, minerality, age, vision of exceptional winemakers, and pure enjoyment!
